Seattle's KIRO is saying **911** outage is affecting several agencies in WA but is not reporting the entire state is out. I'm not sure why CenturyLink issue which is causing the **911** problems would affect the entire state, but who knows maybe entire state **911** involves CenturyLink.

News release from King County on **911** outage [#centurylinkoutage](#) [#911outage](#) [#seattle](#)

**King County**

December 27, 2018

Contact: [Cameron Satterfield](#)**ALERT: 9-1-1 system down in Washington State**

Media partners: King County asks that you let your readers, viewers, and listeners know that the 9-1-1 system in Washington State is down at this time. No calls are getting through to the 9-1-1 centers, either on landlines or cell phones.

People who are having an emergency in King County can call the ten-digit emergency number for the police or fire agency in their area on a landline or cell phone, or they can use Text-to-911 on their cell phone.

There is no estimate for restoration of 9-1-1 service. No additional details are available at this time.
